Rain, Rain Go Away!!

Rain has played havoc on some tournaments but seems like the SEAA Directors have done their best to see that the teams get to play as much as humanly possible.

We are so excited about the new Directors that have signed on. They are working hard to offer lots of tournaments to teams and give them a great taste of SEAA Softball.

Teams are dragging their feet on sending in their entry forms/fees. We have had numerous calls saying they are coming. I hope that they don't wait too long and get shut out. We had to turn away several teams last year, that waited too long.

Please encourage any team you know that is planning on attending to send in their info. We need to get them on the list, especially if they have any special requests.
