HAPPY VALENTINES DAY TO ALL

The response for entries into the World Series Tournaments is picking up rapidly.

We have teams calling and entering from New Jersey, Florida, Arkansas, and all of the states that have attended in the past. We will have a page soon that will list teams and their locations, that are entered into the World Series tournaments.

Remember to download your entry form and send it in along with your entry fee, as soon as you can. There is a limit of 120 teams accepted in the Fast Pitch.

NEW--23 & under division--We are getting calls and lots of interest in the 23 u division, especially Slow Pitch--We are so excited to have some of the teams back that we thought were moving out to women's play or not playing at all.

Please contact directors in your area for their schedules--we have Victor Burnette in Rossville, GA and Jeff Isley near Atlanta, GA -Mike (Pokey) Long and Jerry Dills in the Knoxville, Cookeville area--Please take advantage of the tournaments in your area and support those directors. Their information is on the Directors or Contact page.

We will begin doing email blasts soon about tournaments. If you would like to be included on this list please email me at I will be happy to send you information about available tournaments.

Please sign up to receive the newsletter--we will try to keep you informed.

The 2008 Rule book will be soon for viewing on the web site or ask for one at the tournaments you attend. There will be no major changes in the rule book this year. Adult Co-Ed will be re-written to be more team friendly.
