January-Braving the Cold Temps

Well we have just about survived January and are making fast and furious plans for the World Series Tournaments-Be sure and check the Web site Home Page for a Count Down of exactly how long it is till each one happens.
 Due to circumstances beyond our control we are moving the Fast Pitch older age divisions back to Pigeon Forge-I'm sure most teams are excited to hear that. We apologize for any inconvenience caused by this. Of course, to get the whole tournament in, we have to extend the dates for those divisions. The tournament for all will begin on July 20 and run through July 25.
 We are getting more and more info on the web site and have redesigned the Home Page to make it more user friendly. Enjoy and be sure to visit the FAQ link.

Cheer Contest

Don't forget the Team Cheer Contest at each Opening Ceremony. TROPHIES to be won. Remember, each team that participates, will have 2 minutes to show the judges what they can do.

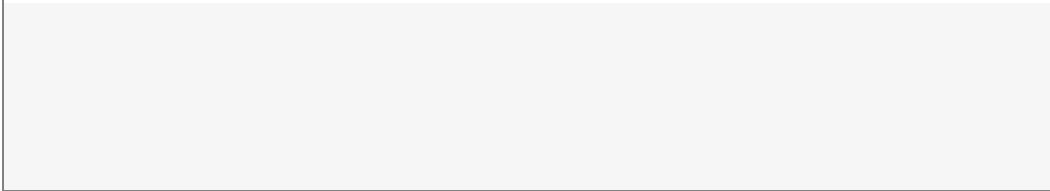

Web site/Rule Changes for 2010

Teams are already entering the World Series-Let's keep those entries rolling in.Teams are calling every day for more details. Remember we can only take 120 teams total for the Fast Pitch.

Changes for 2010 include:

- 19u division is changed to 20u.
- Pitching Distance for 16u-23u will be changed to 43 feet.
- There will be no exceptions for 10u-it will be played just like 12u.
- Coach Pitch rules will be changed on how many are allowed to bat and play the field-please check the rule book for clarification.
- Don't forget to check the web site for explanation of rule changes and any other rule changes for 2010, they will be posted in Feb.

We look forward to seeing everyone-check out the web site-Summer tournament schedule will be posted soon.
